The directors have a period of 3 working days following receipt of the text of the proposed resolutions and the voting form to complete and send the voting form, dated and signed, to the chairman by electronic means (with acknowledgement of receipt), ticking a single box for each resolution corresponding to the meaning of its vote.

If no or more than one box has been ticked for the same resolution, the vote will be null and void and will not be taken into account for the calculation of the majority.

Any Director who has not sent his answer within the above-mentioned time limit will be considered absent and his vote will therefore not be taken into account for the calculation of the quorum and the majority.

During the time limit for reply, any director may require any additional explanations from the initiator of the consultation.

Within five (5) working days following receipt of the last ballot paper, the Chairman shall draw up and date the minutes of the deliberations, to which the ballot papers shall be appended and which shall be signed by the Chairman and a director who participated in the written consultation. »

Article 12.7. thus becomes Article 12.8.
