ITEM 4. DESCRIPTION OF SECURITIES

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Under French law, provisions of By-laws that limit the liability of directors and officers are prohibited. However, French law allows *sociétés anonymes* to contract for and maintain liability insurance against civil liabilities incurred by any of their directors and officers involved in a third-party action, provided that they acted in good faith and within their capacities as directors or officers of the company. Criminal liability cannot be indemnified under French law, whether directly by a company or through liability insurance.

We maintain customary liability insurance coverage for our directors and executive officers, including insurance against liability under the Securities Act, and we may enter into agreements in the future with our directors and executive officers to provide contractual indemnification. With certain exceptions and subject to limitations on indemnification under French law, these agreements would provide for indemnification for damages and expenses including, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding arising out of his or her actions in that capacity.

These indemnification arrangements may discourage shareholders from bringing a lawsuit against our directors and executive officers for breach of their fiduciary duty. These arrangements also may have the effect of reducing the likelihood of derivative litigation against directors and executive officers, even though such an action, if successful, might otherwise benefit us and our shareholders. Furthermore, a shareholder's investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification arrangements.

Certain of our non-employee directors may, through their relationships with their employers or partnerships, be insured against certain liabilities in their capacity as members of our board of directors.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED

Not applicable.

ITEM 8. EXHIBITS

See the Exhibit Index on the page immediately preceding the signature page for a list of exhibits filed as part of this Registration Statement, which Exhibit Index is incorporated herein by reference.

ITEM 9. UNDERTAKINGS

1. The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-8 filed by Collectis S.A.

Ladies and Gentlemen:

We are acting as French counsel for Collectis S.A. (the "Company"), a French société anonyme, in connection with the registration of (i) up to 2,274,216 ordinary shares of the Company, par value €0.05 per share, pursuant to the 2022 Stock Option Plan and (ii) up to 2,274,216 ordinary shares of the Company, par value €0.05 per share, pursuant to the 2022 Free Shares Plan, subject to an aggregate maximum amount of 2,274,216 ordinary shares being issued (the "Aggregate Cap") pursuant to the 2022 Stock Option Plan and the 2022 Free Shares Plan (such shares, subject to the Aggregate Cap, the "Shares"), issuable upon exercise of stock options or upon settlement of free shares which may be granted, or issued, by the board of directors upon delegation of authority from the Company's shareholders approved on June 28, 2022 (together with the 2022 Stock Option Plan and the 2022 Free Shares Plan, the "Plans").

In connection with the opinion expressed herein, we have examined such documents, records and matters of law as we have deemed relevant or necessary for purposes of this opinion. Based on the foregoing, and subject to the further limitations, qualifications and assumptions set forth herein, we are of the opinion that the Shares that may be issued pursuant to the Plans have been duly authorized and, when issued in accordance with the Plans and against payment of due consideration therefor, will be validly issued, fully paid and non-assessable.

The term "non-assessable", which has no recognized meaning in French law, for the purposes of this opinion means that no present or future holder of ordinary shares will be subject to personal liability, by reason of being such a holder, for additional payments or calls for further funds by the Company or any other person after the issuance of the ordinary shares.

The opinion expressed herein is limited to the laws of France as currently in effect, and we express no opinion as to the effect of the laws of any other jurisdiction. We have assumed that the Company will take no action inconsistent with the resolutions authorizing the Company to issue the Shares. We have also assumed, for any future awards under the Plans, that (1) the resolutions authorizing the Company to issue the Shares pursuant to the Plans and the applicable award agreements will be in full force and effect on the date of such awards and (2) such future awards will be approved by the Board of Directors of the Company in accordance with applicable law and with the terms of the Plans.

We hereby consent to the filing of this opinion as Exhibit 5.1 to the Registration Statement on Form S-8 filed by the Company to effect registration of the Shares to be issued and sold pursuant to the Plans under the Securities Act of 1933 (the "Act"). In giving such consent, we do not thereby admit that we are included in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Securities and Exchange Commission promulgated thereunder.

Very truly yours,

/s/ Jones Day

Should the Option expire or become unexercisable for any reason without having been exercised in full, the unsubscribed Shares which were subject thereto shall, unless the Plan shall have been terminated, become available again for future grant under the Plan.

4. ADMINISTRATION OF THE PLAN

(a) Procedure

The Plan shall be administered by the Administrator.

(b) Powers of the Administrator.

Subject to the provisions of the Commercial Code, the Shareholders' Authorization, the Plan, and the Applicable Laws, the Administrator shall have the authority, in its discretion:

- (i)* to determine the Fair Market Value of the Shares, in accordance with Section 2(m) of the Plan;
- (ii)* to determine the Beneficiaries to whom Options may be granted hereunder;
- (iii)* determine whether and to what extent Options are granted hereunder;
- (iv)* to approve or amend forms of agreement for use under the Plan;
- (v)* to determine the terms and conditions of any Options granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the date or dates when Options may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Option or the Shares relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine with the exception of the exercise price; it being specified that the Administrator's discretion remains subject to the rules and limitations set forth in this Plan and in the Commercial Code;
- (vi)* to construe and interpret the terms of the Plan and Options granted pursuant to the Plan;
- (vii)* to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;
- (viii)* to modify or amend each Option (subject to the provisions of Section 13(c) of the Plan), including the discretionary authority to extend the post-termination exercise period of Options after the termination of the Beneficiary's employment agreement or the end of the Beneficiary's term of office, longer than is otherwise provided for in the Plan;
- (ix)* to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Option previously granted by the Administrator;
- (x)* to determine the rights and restrictions applicable to Options; and
- (xi)* to make all other determinations deemed necessary or appropriate for administering the Plan.

(c) Effects of Administrator's Decisions.

The Administrator's decisions, determinations and interpretations shall be final and binding on all Optionees.

5. LIMITATIONS

(a) The Options are governed by articles L. 225-177 *et seq.* of the French Commercial Code. They are not part of the employment agreement or of the term of office which has allowed the Optionee to be granted the Options. Neither do they constitute an element of the Optionee's remuneration.

Neither the Plan nor any Option shall confer upon an Optionee any right with respect to continuing the Optionee's employment or his term of office with the Company or any Affiliated Company, nor shall they interfere in any way with the Optionee's right or the Company's or Affiliated Company's right, as the case may be, to terminate such employment or such term of office at any time, with or without cause.

(b) Other than as expressly provided hereunder, no member of the Board or of the supervisory board of the Company (in the event of change of management formula of the Company) or of an equivalent management body of an Affiliated Company shall be as such eligible to receive Options under the Plan.

6. TERM OF PLAN

The Plan shall be effective and Options may be granted as of September 15, 2022. The Plan has been adopted by the Board on September 15, 2022. Unless a new shareholder authorization supersedes the Shareholders' Authorization, the Options may be granted hereunder until, and including, June 27, 2023. It shall continue in effect until the date of termination of the last Option in force, unless terminated earlier under Section 13 of the Plan.

7. TERM OF OPTIONS

The term of each Option shall be stated in the Notice of Grant as ten (10) years from the Date of Grant, in accordance with the Shareholders' Authorization or, in case of death or Disability of the Optionee during such 10-year period, six (6) months from the death or Disability of the Optionee in accordance with French law.

8. OPTIONS EXERCISE PRICE AND CONSIDERATION

(a) Subscription or purchase Price

The per Share subscription or purchase price for the Shares to be issued or sold pursuant to exercise of an Option shall be determined by the Administrator on the basis of the Fair Market Value, provided that the per Share subscription or purchase price shall be no less than 100% of the Fair Market Value per Share on the Date of Grant as defined in Section 2(m)(ii).

(b) Exercise Dates

At the time an Option is granted, the Administrator shall fix the period within which the Option may be exercised and shall determine any conditions which must be satisfied before the Option may be exercised. In so doing, the Administrator may specify that an Option may not be exercised until the completion of a service period in the Company or an Affiliated Company and/or satisfaction of the performance conditions, if applicable.

(c) Form of Consideration

The consideration to be paid for the Shares to be issued or purchased upon exercise of Options, including the method of payment, shall be determined by the Administrator. Such consideration shall consist entirely of an amount in Euro corresponding to the exercise price which shall be paid by wire transfer.

In case the exercise of an Option would lead the Company to be liable for any payment, whether due to fees, taxes or to charges of any nature whatsoever, in place of the Optionee, such Option shall be deemed duly exercised when the full payment for the Shares with respect to which the Option is exercised is executed by the Optionee and the Optionee provides the Company with either the receipt stating the payment by the Optionee of any such fee, tax or charge, as above described that would otherwise be paid by the Company upon exercise of the Option, in place of the Optionee or, the full payment, under the same conditions, of any amount due upon the exercise of the Option to be borne by the Company.

9. EXERCISE OF OPTIONS

(a) Procedure for Exercise; Shareholders' Rights

Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such dates and under such conditions as determined by the Administrator and set forth in the Option Agreement.

An Option may not be exercised for a fraction of a Share.

An Option shall be deemed exercised when the Company or a third party designated by the Company receives: (i) notice of exercise (in accordance with the provisions of the Option Agreement) together with a share subscription or purchase form (*bulletin de souscription ou d'achat*) duly executed by the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Option Agreement and the Plan.

In case the exercise of an Option would lead the Company to be liable for any payment, whether due to fees, taxes or to charges of any nature whatsoever, in place of the Optionee, such Option shall be deemed duly exercised when the full payment for the Shares with respect to which the Option is exercised is executed by the Optionee and the Optionee provides the Company with either the receipt stating the payment by the Optionee of any such fee, tax or charge, as above described that would otherwise be paid by the Company upon exercise of the Option, in place of the Optionee or, the full payment, under the same conditions, of any amount due upon the exercise of the Option to be borne by the Company.

Upon exercise of Options, the Shares issued or sold to the Optionee shall be assimilated with all other Shares of the Company of the same class and shall be entitled to dividends once the Shares are issued for the fiscal year during which the Option is exercised.

In the event that a Beneficiary infringes one of the above-mentioned commitments, such Beneficiary shall be liable for any consequences resulting from such infringement for the Company and undertakes to indemnify the Company in respect of all amounts payable by the Company in connection with such infringement.

Any granting of Options in any manner shall result in a decrease in the number of Shares which thereafter may be available for purposes of the Plan, by the number of Shares as to which the Option may be exercised.

(b) Termination of the Optionee's Continuous Status as Beneficiary

Upon termination of an Optionee's Continuous Status as a Beneficiary, other than upon the Optionee's death or Disability, the Optionee may exercise his or her Options, but only within such period of time as is specified in the Notice of Grant, and only for the part of the Options that the Optionee was entitled to exercise at the date of termination (but in no event later than the expiration of the term of such Options as set forth in the Notice of Grant). Unless a longer period is specified in the Notice of Grant or otherwise resolved by the Board, an Option shall remain exercisable for three (3) months following the Optionee's termination of Continuous Status as a Beneficiary. If, at the date of termination, the Optionee is not entitled to exercise all his or her Options, the Shares covered by the unexercisable portion of Options shall revert to the Plan. If, after termination, the Optionee does not exercise all of his or her Options within the period of time specified herein, the Options shall terminate, and the Shares covered by such Options shall revert to the Plan.

As an exception to the above provisions, in the event of voluntary retirement of the Beneficiary, the Board may decide that the Beneficiary will continue to benefit from the Options (vested or not at the date of his departure) which may be exercised according to the vesting schedule decided by the Administrator during the grant of the corresponding Options until their expiration date.

(c) Disability of Optionee

In the event that an Optionee's Continuous Status as a Beneficiary terminates as a result of the Optionee's Disability, unless otherwise resolved by the Board, the Optionee may exercise his or her Options at any time within six (6) months from the date of such termination, but only to the extent these Options are exercisable at the time of termination (but in no event later than the expiration of the term of such Options as set forth in the Notice of Grant). If, at the date of termination, the Optionee is not entitled to exercise all of his or her Options, the Shares covered by the unexercised portion of Options shall revert to the Plan. If, after termination, the Optionee does not exercise all of his or her Options within the period of time specified herein, the Options shall terminate, and the Shares covered by such Options shall revert to the Plan.

(d) Death of Optionee

In the event of the death of an Optionee during the term of the Options, unless otherwise resolved by the Board, the Options may be exercised at any time within six (6) months following the date of death, by the Optionee's estate or by a person who acquired the right to exercise the Option by bequest or inheritance, but only to the extent these Options are exercisable at the time of death. If, at the time of death, the Optionee was not entitled to exercise all of his or her Options, the Shares covered by the unexercised portion of Options shall immediately revert to the Plan. If, after death, the Optionee's estate or a person who acquired the right to exercise the Options by bequest or inheritance does not exercise the Options within the period of time specified herein, the Options shall terminate, and the Shares covered by such Options shall revert to the Plan.

10. NON-TRANSFERABILITY OF OPTIONS

An Option may not be sold, pledged, assigned, mortgaged, transferred or disposed of in any manner other than by will or by laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee.

11. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION, DISSOLUTION

(a) Changes in capitalization

In the event of the carrying out by the Company of any of the financial operations pursuant to article L. 225-181 of the French Commercial Code as follows:

- amortization or reduction of the share capital,
- amendment of the allocation of profits,
- distribution of free shares,
- capitalization of reserves, profits or issuance premiums,
- the issuance of shares or securities giving right to shares to be subscribed for in cash or by set-off of existing indebtedness offered exclusively to the shareholders;

the Company shall take the required measures to protect the interests of the Optionees in the conditions set forth in article L. 228-99 of the French Commercial Code.

(b) Dissolution or Liquidation

In the event of the proposed dissolution or liquidation of the Company, to the extent that an Option has not been previously exercised, it will terminate immediately prior to the consummation of such proposed action. The Administrator may, in the exercise of its sole discretion in such instances, declare that any Option shall terminate as of a date determined by the Administrator and give each Optionee the right to exercise his or her Options as to Shares for which the Options would not otherwise be exercisable.

(c) Merger or asset sale

If decided by the Board, being specified that such decision shall occur no later than immediately prior to the completion of the relevant Liquidity Event (as defined below):

- in the event of a merger of the Company into another corporation or of the sale by one or several shareholders, acting alone or in concert, of the Company to one or several third parties of a number of Shares resulting in a transfer of more than fifty per cent (50%) of the Shares of the Company to said third parties after the third anniversary of the Grant Date (a "Liquidity Event"), an Optionee's right to exercise the Options will be accelerated so that such Optionee may exercise all of them with effect immediately prior to the completion of the relevant Liquidity Event;
- the Options that may be exercised shall have to be exercised no later than immediately prior to the completion of the relevant Liquidity Event, it being specified that the Board shall inform the Optionee of any proposed Liquidity Event at least 15 days prior to the completion thereof; and
- any Options not exercised for any reason on or prior to the date of completion of a Liquidity Event will automatically lapse.

12. DATE OF GRANT

12.1. The Date of Grant of an Option shall be, for all purposes, the date on which the Administrator decides to grant such Option. A notice of the grant shall be provided to each Optionee within a reasonable time after the Date of Grant.

12.2. In the event of any tax liability arising on account of the grant of the Options, the liability to pay such taxes shall be that of the Beneficiary alone.

The Beneficiary shall enter into such agreements of indemnity and execute any and all documents as the Company may specify for this purpose, if so required at the Date of Grant and at any other time at the discretion of the Company, on such terms and conditions as the Company may think fit, for recovery of the tax due, from the Beneficiary.

13. AMENDMENT AND TERMINATION OF THE PLAN

(a) Amendment and Termination

The Administrator may at any time amend, alter, suspend or terminate the Plan.

(b) Shareholders' approval

The Company shall obtain shareholders' approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws (including the requirements of any exchange or quotation system on which Shares may then be listed or quoted). Such shareholders' approval, if required, shall be obtained in such a manner and to such a degree as is required by the applicable law, rule or regulation.

(c) Effects of amendment or termination

No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Optionee, unless mutually agreed otherwise between the Optionee and the Administrator, which agreement must be in writing and executed by the Optionee and the Company.

14. CONDITIONS UPON ISSUANCE OF SHARES

(a) Legal Compliance

Shares held by a US Beneficiary shall not be sold or issued pursuant to the exercise of Options unless the exercise of such Options, and the issuance or sale and delivery of such Shares shall comply with all relevant provisions of law including, without limitation, the Commercial Code, the "Securities Act" of 1933, as amended, the "Exchange Act", the rules and regulations promulgated thereunder, Applicable Laws and the requirements of any stock exchange or quotation system upon which the Shares may then be listed or quoted.

(b) Investment Representations

As a condition to the exercise of an Option by a US Beneficiary, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being subscribed or purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

15. LIABILITY OF THE COMPANY

15.1. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by any counsel to the Company to be necessary to the lawful issuance or sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

15.2. The Company and its Affiliated Companies may not be held responsible in any way if the Beneficiary for any reason not attributable to the Company or its Affiliated Companies was not able to exercise the Options or acquire the Shares.

16. LAW, JURISDICTION

This Plan shall be governed by and construed in accordance with the laws of France.

The relevant court of the registered office of the Company shall be exclusively competent to determine any claim or dispute arising in connection herewith.

The grant of Options under this Plan shall entitle the Company to require the Beneficiary to comply with such requirements of law and regulation as may be necessary in the Options of the Company from time to time.

The Company and its Affiliated Companies may not be held responsible in any way if the Beneficiary for any reason not attributable to the Company or its Affiliated Companies was not able to exercise the Option or purchase the Shares. The payment for the purchase of the shares shall be made by the Optionee under his/her own responsibility according to these Terms and Conditions.

7. Tax Obligations. Regardless of any action the Company or the Optionee's employer (the "Employer") takes with respect to any or all income tax, social insurance, payroll tax, or other tax-related withholding ("Tax-Related Items"), the Optionee acknowledges that the ultimate liability for all Tax-Related Items legally due by the Optionee is and remains the Optionee's responsibility and that the Company and/or the Employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Option grant, including the grant, vesting or exercise of the Option, the subsequent sale of shares of Share Capital acquired pursuant to such exercise and the receipt of any dividends; and (2) do not commit to structure the terms of the grant or any aspect of the Option to reduce or eliminate Optionee's liability for Tax-Related Items.

Prior to exercise of the Option, the Optionee will pay or make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all withholding obligations of the Company and/or the Employer, if any. In this regard, the Optionee authorizes the Company and/or the Employer to withhold all applicable Tax-Related Items legally payable by the Optionee from Optionee's compensation paid to the Optionee by the Company and/or Employer or from proceeds of the sale of Shares. Alternatively, or in

addition, if permissible under local law, the Company may sell or arrange for the sale of Shares that the Optionee acquires to meet the withholding obligation for Tax-Related Items. Finally, the Optionee will pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of the Optionee's participation in the Plan or the Optionee's purchase of Shares that cannot be satisfied by the means previously described. The Company may refuse to honor the exercise and refuse to deliver the Shares issuable upon exercise of the Options if the Optionee fails to comply with Optionee's obligations in connection with the Tax-Related Items as described in this section.

(c) all decisions with respect to future option grants, if any, will be at the sole discretion of the Company;

(d) the Optionee's participation in the Plan shall not create a right to further employment with the employer and shall not interfere with the ability of the Employer to terminate the Optionee's employment relationship at any time with or without cause;

(f) the Option is an extraordinary item that does not constitute compensation of any kind for services of any kind rendered to the Company or the Employer, and which is outside the scope of the Optionee's employment contract, if any;

(g) the Option is not part of normal or expected compensation or salary for any purpose, including, but not limited to, calculating any severance, resignation, termination, redundancy, end of service payments, bonuses, long service awards, pension or retirement benefits or similar payments and in no event should be considered as compensation for, or relating in any way to, past services for the Company or the Employer;

(h) the Option grant will not be interpreted to form an employment contract with the Company, the Employer or any Subsidiary or Affiliate of the Company;

(i) the future value of the underlying Shares is unknown and cannot be predicted with certainty;

(k) if the the Optionee exercises Optionee's Option and obtains Shares, the value of those Shares acquired upon exercise may increase or decrease in value, even below the exercise price;

(l) in consideration of the grant of the Option, no claim or entitlement to compensation or damages shall arise from termination of the Option or diminution in value of the Option or Shares purchased through exercise of the Option resulting from termination of Optionee's employment the Company or the Employer (for any reason whatsoever) and Optionee irrevocably releases the Company and the Employer from any such claim that may arise; if, notwithstanding the foregoing, any such claim is found by a court of competent jurisdiction to have arisen, then, by signing this Option Agreement, the Optionee shall be deemed irrevocably to have waived Optionee's entitlement to pursue such claim; and

(m) in the event of termination of the Optionee's employment, the Optionee's right to receive the Option and vest in the Option under the Plan, if any, will terminate effective as of the date that the Optionee receives notice of termination regardless of when such termination is effective; furthermore, in the event of termination of employment, the Optionee's right to exercise the Option after termination of employment, if any, will be measured by the date on which the Optionee receives notice of termination; the Company shall have the exclusive discretion to determine when the Optionee is no longer actively employed for purposes of the Optionee's Option grant. In addition, any period of notice or compensation in lieu of such notice, that is given or ought to have been given under any contract, statute, common law or civil law shall be excluded.

The Optionee authorizes the Company and any other possible recipients which may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing the Optionee's participation in the Plan. The Optionee understands that Data will be held only as long as is necessary to implement, administer and manage Optionee's participation in the Plan. The Optionee understands that the Optionee may, at any time, view the Data, request additional information about the storage processing of the Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Optionee's local human resources representative. The Optionee understands, however, that refusing or withdrawing the Optionee's consent may affect the Optionee's ability to participate in the Plan. For more information on the consequences of the Optionee's refusal to consent or withdrawal of consent, the Optionee understands that the Optionee may contact the Optionee's local human resources representative.

1. IMPLEMENTATION OF THE FREE SHARES PLAN

Pursuant to decisions dated June 28, 2022, the shareholders' general meeting of Collectis, a French *société anonyme* whose registered office is located at 8 rue de la Croix Jarry, 75013 Paris and whose identification number is 428 859 052 R.C.S. Paris (hereafter referred to as the "**Company**") authorized the Board of Directors to allocate free shares of the Company to the benefit of employees of the Company or to certain categories of such employees, and/or to the benefit of its corporate officers who meet the conditions set forth by Article L. 225-197-1 II of the French commercial code, as well as to the benefit of employees of companies or economic interest groups whose share capital or voting rights are held, directly or indirectly, for more than ten per cent (10%) by the Company at the date of allocation of said shares.

3. PURPOSE

The purpose of the 2022 Free Shares Plan is to set forth the conditions and criteria for the allocation of free Shares under the 2022 Free Shares Plan, pursuant to Articles L. 225-197-1 *et seq.* of the French commercial code and to the authorization granted by the shareholders’ general meeting of the Company dated June 28, 2022 (the **“Shareholders Authorization”**).

4. BENEFICIARIES

Pursuant to the Shareholders Authorization, the Board of Directors of the Company approves the list of Beneficiaries among eligible officers and employees, together with the indication of the number of free Shares allocated to each of them.

5. NOTICE OF THE ALLOCATION OF THE SHARES

The notice of the Allocation of Shares to the Beneficiaries shall be made pursuant to an Allocation Letter sent by the Board of Directors or by any other person selected by the Board of Directors, by registered mail with acknowledgement of receipt or delivered in person with acknowledgement of receipt, or by any other electronic means as might be agreed by the Company, together with a copy of the present 2022 Free Shares Plan, indicating the number of Shares allocated to the Beneficiary, the Acquisition Period and, if any the Holding Period.

The Beneficiary shall acknowledge receipt of the Allocation Letter and of the 2022 Free Shares Plan by (a) sending signed copies, or (b) or by any electronic means as might be agreed by the Company of these documents within two (2) months from the date of receipt, the documents being deemed to be received on the first date of presentation, in the absence of which the Allocation shall be null and void for this Beneficiary.

The fact that a person may benefit from the 2022 Free Shares Plan does not imply that he or she shall benefit from any other plan that may be implemented thereafter.

6. ACQUISITION PERIOD

6.1. Principle

The free Shares allocated under the 2022 Free Shares Plan shall be definitively acquired by the Beneficiaries at the end of the Acquisition Period, provided that the following condition precedent are met:

- continued Presence of the Beneficiary during the Acquisition Period, in the absence of which he or she will not be entitled to acquire Shares on the date when this condition is no longer met;
- for corporate officers, executive managers and members of the executive committee of the Company, the completion of the performance conditions as set forth in the Allocation Letter (i.e. 1/3 upon the amount of the Company's cash reaching a certain amount, 1/3 upon achievement of clinical and/or regulatory milestone, and 1/3 upon achievement of manufacturing milestone).

being specified that the Board of Directors shall be entitled, to the extent permitted by, and in accordance with, applicable laws:

- to release a given Beneficiary from the continued Presence of the Beneficiary condition set forth above for all or part of the Shares granted, and
- to provide, in the event of a change of control of the Company, for an acceleration of the Acquisition Period and the Holding Period, in whole or in part, provided always that free Shares may not be disposed of before the second anniversary of their Allocation Date in accordance with mandatory French law.

Further, should the Beneficiary be at the same time an employee and a corporate officer of the same company or of two companies of the Group, the loss of one of these capacities shall not result in the loss of the right to acquire the free Shares allocated under the 2022 Free Shares Plan at the end of the Acquisition Period.

Pursuant to Article L. 225-197-3 of the French commercial code, the Beneficiaries hold a claim against the Company which is personal and may not be transferred until the end of the Acquisition Period.

During the Acquisition Period, the Beneficiaries will not own the free Shares and will not be shareholders of the Company. As a consequence, they will not hold any rights attached to the Shares.

6.2 Internal mobility

In the event of transfer or temporary assignment of the Beneficiary within a company of the Group, implying (a) the termination of the initial employment agreement and the entering into of a new employment agreement or of a position as corporate officer, and/or (b) a resignation of the Beneficiary from his or her position as corporate officer and the acceptance of a new position of corporate officer or the entering into of a new employment agreement in one of such companies, the Beneficiary shall retain his or her right to be allocated free Shares at the end of the Acquisition Period.

6.3 Disability

In the event of Disability before the end of the Acquisition Period, the free Shares shall be definitively acquired by the Beneficiary on the date of Disability.

For participants subject to tax in the US, the free Shares shall be delivered to the Beneficiary on the 30th day following the date of Disability is incurred. For avoidance of doubt, no Holding Period will apply to the free Shares delivered under this provision.

6.4 Death

In the event of death of the Beneficiary during the Acquisition Period, the free Shares shall be definitively acquired at the date of the request of allocation made by his or her beneficiaries in the framework of the inheritance.

The request for allocation of the Shares shall be made within six (6) months from the date of the death in compliance with Article L. 225-197-3 of the French commercial code.

For participants subject to tax in the US, the free Shares shall be definitively acquired within thirty (30) days following the date of death. For avoidance of doubt, no Holding Period will apply to the free Shares delivered under this provision.

6.5 Retirement

In the event of the retirement of a given Beneficiary during the Acquisition Period, the Board of Directors may decide that the condition set forth in article 6.1 above shall be deemed to be met for all or part of the Shares granted upon the date of such retirement.

7. HOLDING PERIOD

7.1 Principle

During the Holding Period, if any, the Beneficiaries concerned will be the owner of the free Shares allocated under the 2022 Free Shares Plan and will be shareholders of the Company. As a consequence, they will benefit from all the rights attached to the capacity of shareholder of the Company.

However, the free Shares shall not be available during the Holding Period and the Beneficiaries may not transfer or pledge the Shares, by any means, or convert them into the bearer form.

At the end of the Holding Period, the Shares will be fully available, subject to the provisions of the following paragraph.

At the end of the Holding Period, if the Company's shares are listed on a regulated market, the free Shares allocated under the 2022 Free Shares Plan may not be transferred during the "black-out" periods set forth in Article L. 225-197-1 of the French commercial code, i.e., as currently provided:

- within thirty (30) calendar days prior to the announcement of an interim financial report or of the annual financial report that the Company is required to publish;
- by the members of the Board of Directors, the chief executive officer and the deputy chief executives officers and by the employees having knowledge of insider information, within the meaning of Article 7 of the Regulation (EU) No. 596/2014 of the European Parliament and of the Council of April 16, 2014 on market abuse (Market Abuse Regulation) and repealing Directive 2003/6/ EC of the European Parliament and of the Council and Commission Directives 2003/124/ EC, 2003/125/ EC and 2004/72/ EC, which has not been made public..

7.2 Specific situations

Notwithstanding the provisions of the second paragraph of Article 7.1 above, the free Shares allocated to the Beneficiaries referred to at Article 6.3 above or to the beneficiaries of the deceased Beneficiary referred to at Article 6.4 above may be freely transferred as from the date of their final allocation.

8. CHARACTERISTICS OF THE SHARES

The Shares definitively allocated shall be, at the Company's choice, new ordinary shares to be issued by the Company or existing Shares acquired by the Company.

As from the Acquisition Date, they shall be subject to all the provisions of the Bylaws.

They shall be assimilated to existing ordinary shares of the Company and shall benefit from the same rights as from the Acquisition Date.

9. DELIVERY AND HOLDING OF THE SHARES

At the end of the Acquisition Period, the Company shall deliver to the Beneficiary the free Shares allocated under the 2022 Free Shares Plan provided that the conditions and criteria for such allocation provided by Articles 5 and 6 above are met.

If the Acquisition Date is not a working day, the delivery of the Shares shall be completed the first working day following the end of the Acquisition Period.

The Shares that may be acquired under the 2022 Free Shares Plan will be held, during the Holding Period (if any), under the administered form (*nominatif administré*) in an individual account opened in the name of the relevant Beneficiary at Banque Transatlantique or other third-party provider as decided by the Company with a mention that they cannot be transferred. At the end of the Holding Period (or the end of the Acquisition Period if there is no Holding Period), the Shares will have to remain under the administered form (*nominatif administré*) at Banque Transatlantique or other third-party provider as decided by the Company until the time they are transferred to make sure that the restrictions set forth in the last paragraph of Article 7.1 above are complied with.

In the event that, as a consequence of the allocation of free Shares under the 2022 Free Shares Plan, the Company or any of the companies of the Group shall be compelled to pay taxes, social costs or any other social security taxes or contributions on behalf of the Beneficiary, the Company retains the right to postpone or to forbid the delivery of the Shares on the Acquisition Date until the relevant Beneficiary has paid to the Company or to the relevant company of the Group the amount corresponding to these taxes, social costs, or social security taxes or contributions.

10. INTERMEDIARY OPERATIONS

In the event of exchange without equalization payment (*soulte*) resulting from an operation of merger or spin-off completed in compliance with the applicable regulations during the Acquisition Period or the Holding Period, if any, the companies taking part in the operation shall substitute to the Company and the provisions of the present 2022 Free Shares Plan, and notably the durations of the Acquisition Period and of the Holding Period, if any, shall apply to the allocation rights and to the shares received in compliance with Article L. 225-197-1 III of the French commercial code.

The same shall apply in the event of a public offering operation, of a division or a grouping of shares completed in compliance with the application regulations during the Holding Period, if any.

11. ADJUSTMENT

Should the Company proceed, during the Acquisition Period, to an amortization, to a share capital reduction, to a change in the allocation of its profits, to an allocation of free shares to all the shareholders, to a capitalization of reserves, profits or issuance premiums, to an allocation of reserves or to an issuance of equity securities or giving right to the allocation of equity securities including a preferential subscription right reserved to the shareholders, the maximum number of Shares allocated under the 2022 Second Free Shares Plan may be adjusted in order to take into account said operation by application, *mutatis mutandis*, of the terms of adjustment provided by the law for the beneficiaries of stock options.

Each Beneficiary shall be informed of the practical terms of the adjustment and of its consequences on the Allocation of Shares he or she benefited from, being specified that the free Shares allocated pursuant to this adjustment shall be governed by the present 2022 Free Shares Plan.

12. AMENDMENT TO THE 2022 FREE SHARES PLAN

12.1 Principle

The present 2022 Free Shares Plan may be amended by the Board of Directors, being specified that the amendments shall be subject to the written consent of the Beneficiaries if it results in a decrease in the rights of said Beneficiaries.

The new provisions shall apply to the Beneficiaries of the Shares during the Acquisition Period on the date of the decision to amend the 2022 Free Shares Plan taken by the Board of Directors, or the written consent of the Beneficiary, if required.

12.2 Notice of the amendments

The amendments to the 2022 Free Shares Plan shall be notified to the relevant Beneficiaries, by all means, including by internal mail, by simple letter or with acknowledgement of receipt, by fax or by e-mail.

13. TAX AND SOCIAL RULES

The Beneficiary shall bear all taxes and mandatory costs which he or she must bear pursuant to the applicable law in relation to the allocation of free Shares, on the due date of said taxes or costs.

Each Beneficiary shall verify and carry out, as the case may be, the declaratory obligations he or she must comply with in relation to the allocation of the free Shares.

14. MISCELLANEOUS

14.1 Rights in relation to the capacity of employee

No provisions of the present 2022 Free Shares Plan shall be construed as granting to the Beneficiary a right to have his or her employment agreement with the Company or any of the companies of the Group maintained, or limiting the right of the Company or any of the companies of the Group to terminate or amend the terms and conditions of the employment agreement of the Beneficiary.

14.2 Data privacy

The Beneficiary hereby explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of the Beneficiary's personal data as described in this document by and among, as applicable, the Employer, the Company and its subsidiaries and affiliates for the exclusive purpose of implementing, administering and managing the Beneficiary's participation in the 2022 Free Shares Plan.

The Beneficiary understands that the recipients of the Data may be located in France or elsewhere (including outside the European Union), and that the recipients' country may have different data privacy laws and protections than the Beneficiary's country. The Beneficiary understands that the Beneficiary may request a list with the names and addresses of any potential recipients of the Data by contacting the Beneficiary's local human resources representative. The Beneficiary authorizes the Company and any other possible recipients which may assist the Company (presently or in the future) with implementing, administering and managing the 2022 Free Shares Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing Beneficiary's participation in the 2022 Free Shares Plan. The Beneficiary understands that Data will be held only as long as is necessary to implement, administer and manage the Beneficiary's participation in the 2022 Free Shares Plan. The Beneficiary understands that Beneficiary may, at any time, view the Data, request additional information about the storage processing of the Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing Beneficiary's local human resources representative. The Beneficiary understands, however, that refusing or withdrawing the Beneficiary's consent may affect the Beneficiary's ability to participate in the 2022 Free Shares Plan. For more information on the consequences of the Beneficiary's refusal to consent or withdrawal of consent, the Beneficiary understands that the Beneficiary may contact the Beneficiary's local human resources representative.

14.3 Electronic Delivery

The Beneficiary hereby consents to receive such documents by electronic delivery and, if requested, to agree to participate in the 2022 Free Shares Plan through an on-line or electronic system established and maintained by the Company or another third party designated by the Company.

14.4 Severability

TERMS AND CONDITIONS

This Appendix contains additional terms and conditions that will apply to the Beneficiary if he or she resides outside of France. Capitalized terms used but not defined herein shall have the same meanings assigned to them in the 2022 Free Shares Plan.

NOTIFICATIONS

This Appendix also includes information regarding exchange control and certain other issues of which the Beneficiary should be aware with respect to his or her participation in the 2022 Free Shares Plan. The information is based on the securities, exchange control and other laws in effect in the respective countries as of June 2022. Such laws are often complex and change frequently. The Company therefore strongly recommends that the Beneficiary not rely on the information in this Appendix as the only source of information relating to the consequences of his or her participation in the 2022 Free Shares Plan because such information may be outdated when the Beneficiary vests in the Shares and/or sells any Shares issued pursuant to the award.

GENERAL PROVISIONS

Taxes. Regardless of any action the Company or Beneficiaries' Employer (the "**Employer**") takes with respect to any or all income tax, social insurance, payroll tax, or other Tax-Related withholding ("**Tax-Related Items**"), Beneficiary acknowledges that the ultimate liability for all Tax-Related Items legally due by the Beneficiary is and remains Beneficiary's responsibility and that the Company and/or the Employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Share grant, including the grant, vesting of the Shares, the subsequent sale of Shares acquired pursuant to such vesting and the receipt of any dividends; and (2) do not commit to structure the terms of the grant or any aspect of the Shares to reduce or eliminate Beneficiary's liability for Tax-Related Items.

Prior to vesting of the Shares, Beneficiary will pay or make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all withholding obligations of the Company and/or the Employer, if any. In this regard, Beneficiary authorizes the Company and/or the Employer to withhold all applicable Tax-Related Items legally payable by Beneficiary from Beneficiary's compensation paid to Beneficiary by the Company and/or Employer or from proceeds of the sale of Shares. Alternatively, or in addition, if permissible under local law, the Company may (1) sell or arrange for the sale of Shares that Beneficiary acquires to meet the withholding obligation for Tax-Related Items and/or (2) withhold in Shares, provided that the Company only withholds the amount of Shares necessary to satisfy the minimum withholding amount. Finally, Beneficiary will pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of Beneficiary's participation in the 2022 Free Shares Plan or Beneficiary's acquisition of Shares that cannot be satisfied by the means previously described. The Company may refuse to honor the vesting and refuse to deliver the Shares if Beneficiary fails to comply with Beneficiary's obligations in connection with the Tax-Related Items as described in this section.

Nature of Grant. In accepting the grant, Beneficiary acknowledges that:

- (a) the 2022 Free Shares Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, unless otherwise provided in the 2022 Free Shares Plan;
- (b) the grant of the Shares is voluntary and occasional and does not create any contractual or other right to receive future grants of Shares, or benefits in lieu of Shares, even if Shares have been granted repeatedly in the past;
- (c) all decisions with respect to future grants, if any, will be at the sole discretion of the Company;

(d) the Beneficiary's participation in the 2022 Free Shares Plan shall not create a right to further employment with the Employer and shall not interfere with the ability of the Employer to terminate the Beneficiary's employment relationship at any time with or without cause unless otherwise required under local law;

(e) the Beneficiary is voluntarily participating in the 2022 Free Shares Plan;

(f) the Shares are an extraordinary item that do not constitute compensation of any kind for services of any kind rendered to the Company or the Employer, and which is outside the scope of the Beneficiary's employment contract, if any;

(g) the Shares are not part of normal or expected compensation or salary for any purpose, including, but not limited to, calculating any severance, resignation, termination, redundancy, end of service payments, bonuses, long service awards, pension or retirement benefits or similar payments and in no event should be considered as compensation for, or relating in any way to, past services for the Company or the Employer;

(h) in the event that the Beneficiary is not an employee of the Company, the grant will not be interpreted to form an employment contract or relationship with the Company; and furthermore, the grant will not be interpreted to form an employment contract with the Employer or any subsidiary or affiliate of the Company;

(i) the future value of the underlying Shares is unknown and cannot be predicted with certainty;

(j) if the Beneficiary obtains Shares, the value of those Shares may increase or decrease;

(l) in consideration of the grant, no claim or entitlement to compensation or damages shall arise from termination of the award of Shares or diminution in value of the award resulting from termination of the Beneficiary's employment with the Company or the Employer (for any reason whatsoever) and the Beneficiary irrevocably releases the Company and the Employer from any such claim that may arise; if, notwithstanding the foregoing, any such claim is found by a court of competent jurisdiction to have arisen, then, by signing the 2022 Free Shares Plan, Beneficiary shall be deemed irrevocably to have waived the Beneficiary's entitlement to pursue such claim; and

(m) unless otherwise decided by the Board of Directors, in the event of termination of the Beneficiary's employment during the acquisition period, the Beneficiary's right to vest in the Shares under the 2022 Free Shares Plan, if any, will terminate effective as of the date that the Beneficiary is no longer actively employed and will not be extended by any notice period mandated under the local law (e.g., active employment would not include a period of "garden leave" or similar period pursuant to local law).

Language. If the Beneficiary has received this document or any other document related to the 2022 Free Shares Plan translated into a language other than French and if the translated version is different than the French version, the French version will control.

UNITED STATES

The Beneficiary acknowledges the following:

- that both this award and any Shares are securities ("***Securities***"), the issuance by the Company of which requires compliance with applicable federal and state securities laws;
- that these Securities are made available to Beneficiary only on the condition that the Beneficiary makes the representations contained in this section to the Company, and
- the Beneficiary has made a reasonable investigation of the affairs of the Company sufficient to be well informed as to the rights and the value of these Securities.

This 2022 Free Shares Plan (the “*Plan*”) is intended to comply with, or be exempt from, Section 409A of the US Internal Revenue Code (“Code”), and shall be interpreted, construed and administered consistent with that intent. Any reference to Section 409A of the Code will also include any regulations or any other formal guidance promulgated with respect to such section by the U.S. Department of the Treasury or the Internal Revenue Service. If any of the terms and conditions of the Plan, or any grant document contravenes any regulations or guidance under Section 409A of the Code or could cause any granted award to be subject to taxes, interest or penalties under Section 409A of the Code, the Company may, in its sole discretion and without the US Beneficiary’s consent, modify the Plan or grant documents to: (i) comply with, or avoid being subject to Section 409A of the Code, (ii) avoid the incurrence of additional taxes, interest or penalties under Section 409A of the Code, and (iii) maintain, to the maximum extent practicable, the original intent of the applicable term, condition or provision without contravening the provisions of Section 409A of the Code.

Notwithstanding anything in the Plan to the contrary, if (i) pursuant to Section 12 of the Plan, the Company amends the terms of such section to provide that free Shares may be delivered to the Beneficiary upon a “separation from service” (as determined in accordance with Section 409A of the Code), (ii) the Beneficiary is a “specified employee” (within the meaning of Section 409A of the Code), (iii) the issuance of the free Shares is considered to be a “deferral of compensation” (as such phrase is defined for purposes of Section 409A of the Code) and (iv) such issuance is made by reason of the Beneficiary’s “separation from service” with the Company (determined in accordance with Section 409A of the Code), then the Beneficiary’s date of issuance of the free Shares shall be the date that is the first day of the seventh month after the date of the Beneficiary’s separation from service.”

The Company makes no representation as to the tax status of the 2022 Free Shares Plan to the Beneficiary’s who should seek their own tax advice.

Term Changes/Addendum to the 2022 Free Shares Plan

Section 6.1 (Principles) of the 2022 Free Shares Plan is revised to provide that, if a change of control occurs, the Board of Directors decides to accelerate the vesting of the free Shares and the issuance of the free Shares is considered to be a “deferral of compensation” (as such phrase is defined for purposes of Section 409A of the Code), such acceleration may only occur if the change of control constitutes a change in the ownership or effective control of the Company or in the ownership of a substantial portion of the assets of the Company (each within the meaning of Section 409A).

Section 6.5 (Retirement) of the 2022 Free Shares Plan does not apply to beneficiaries subject to tax in the United States.
